

# How do you Iron Chef®?

## Calling all Chefs from NAFFS member companies to participate in NAFFS Flavor Industry's Copper Chef Competition Friday, February 17 The French Culinary Institute, NY, NY

We have learned from Chef Lee Anne Wong and Chef Zac Young - both Top Chefs

Now it is our turn to have some fun and show off our stuff.

Three teams (two per team) of company chefs (no ringers) will have one hour to create an appetizer and an entrée using the secret ingredient in an hour.

Do you want to be the first [NAFFS Head Chef](#)?

Apply by January 18, 2012

Teams will be selected by lottery draw and notified by January 19, 2012. There will be a \$350 entry fee per team collected **after** the lottery is drawn. Fee includes four-course lunch immediately after the competition.

Rules and three possible secret ingredients will then be sent to the teams for their study. A full pantry will be provided along with a student chef to help the teams as a runner.

Your company must be a NAFFS member in order to participate.
