

**Help NAFFS Reach its Goal of \$45,000 for the
NAFFS Annual Scholarship Award Program**

NAFFS is in its 18th year of providing Annual Scholarship Awards. A scholarship fund was established to award outstanding food science students on the East and West Coasts and was able to include eleven schools across the country. Your support helps to provide quality programs, attract the brightest students, support cutting-edge research and provide highly qualified food scientists and nutritionists for the food industry workforce. If you would like to make a donation for the **2023 scholarship awards**, please fill out the form below or donate online at <http://naffs.org/scholarship>.
